

HELP SAVE CATHERINE HILL BAY RALLY

NSW Planning Minister Frank Sartor is set to approve thousands of new houses on the Wallarah Peninsula - surrounding the heritage village of Catherine Hill Bay, damaging fragile bushland and developing the last untouched bay on Lake Macquarie. Join us to tell him we want to see this special area protected, as promised, for the future, for all of us to enjoy.

Sunday 24 Feb, 10am, on the beach
Come and draw a line in the sand to say:
NO MORE DEVELOPMENT ON THE WALLARAH PENINSULA

Wear a red t-shirt (red 'Save Catho' t-shirts available on the day) and gather just north of the patrolled swimming area. Please be aware that the Catho Nippers meet at 10am, so park away from the surf club and walk to the rally if you can.

Organised by the CHB Progress Association
