National Trust Venue Hire | **Harper's Mansion**

Berrima

DESCRIPTION

Harper's Mansion, Garden and Maze is available to hire for weddings, events, filming and photography. Nestled on a hill overlooking historic Berrima, this two-storey residence was built circa 1834 by James and Mary Harper.

Whatever the season the garden provides an elegant stage for making your vows with a variety of formal and informal backdrops for the photographs that will record the great day. The garden offers privacy and ample space for your guests to wander.

Harpers Mansion is also home to the largest maze in the state, which can be a wonderful attraction for younger and adult guests alike. Children's parties are available at the maze, and other bookings for functions are also welcome.

The unique maze and expansive strolling gardens at Harper's Mansion makes the site an increasing popular location for commercial and artistic photography and film making. Over the last year short films, commercial advertising segments and fashion shoots have been made at Harper's.
