The National Trust of Australia (NSW)  
**National Trust Venue Hire | Riversdale**  
Goulburn

## DESCRIPTION

Dating back to the 1830s Riversdale is a magical venue for wedding ceremonies.

The colonial home with its typical Georgian features; verandahs on all sides, sandstone flagging and surrounding flowering gardens is becoming increasingly popular with the Bride to Be. Complimenting the home are the stone outbuildings and formal and meandering cottage gardens.

Riversdale makes a great backdrop for wedding photos and an inspirational setting for wedding receptions. Booking Riversdale is a simple process with assistance provided by contacting the Property's booking staff. A schedule of booking options, fees and charges are listed within.

*"Riversdale looked absolutely amazing on the day and I'm hoping you can pass on our sincere appreciation to the volunteers who worked so hard to keep the gardens looking amazing, it certainly was a lovely venue."*  
Nicole and Scott, recently married at Riverdale

The opportunities for use of Riversdale are endless with the house and gardens being a great location for exclusive functions such as: special birthday parties, baby naming, Christmas parties, anniversaries, cocktail parties, private dinners, breakfast, lunch, art exhibitions, private meeting room, staff /office retreats, and community fundraisers.

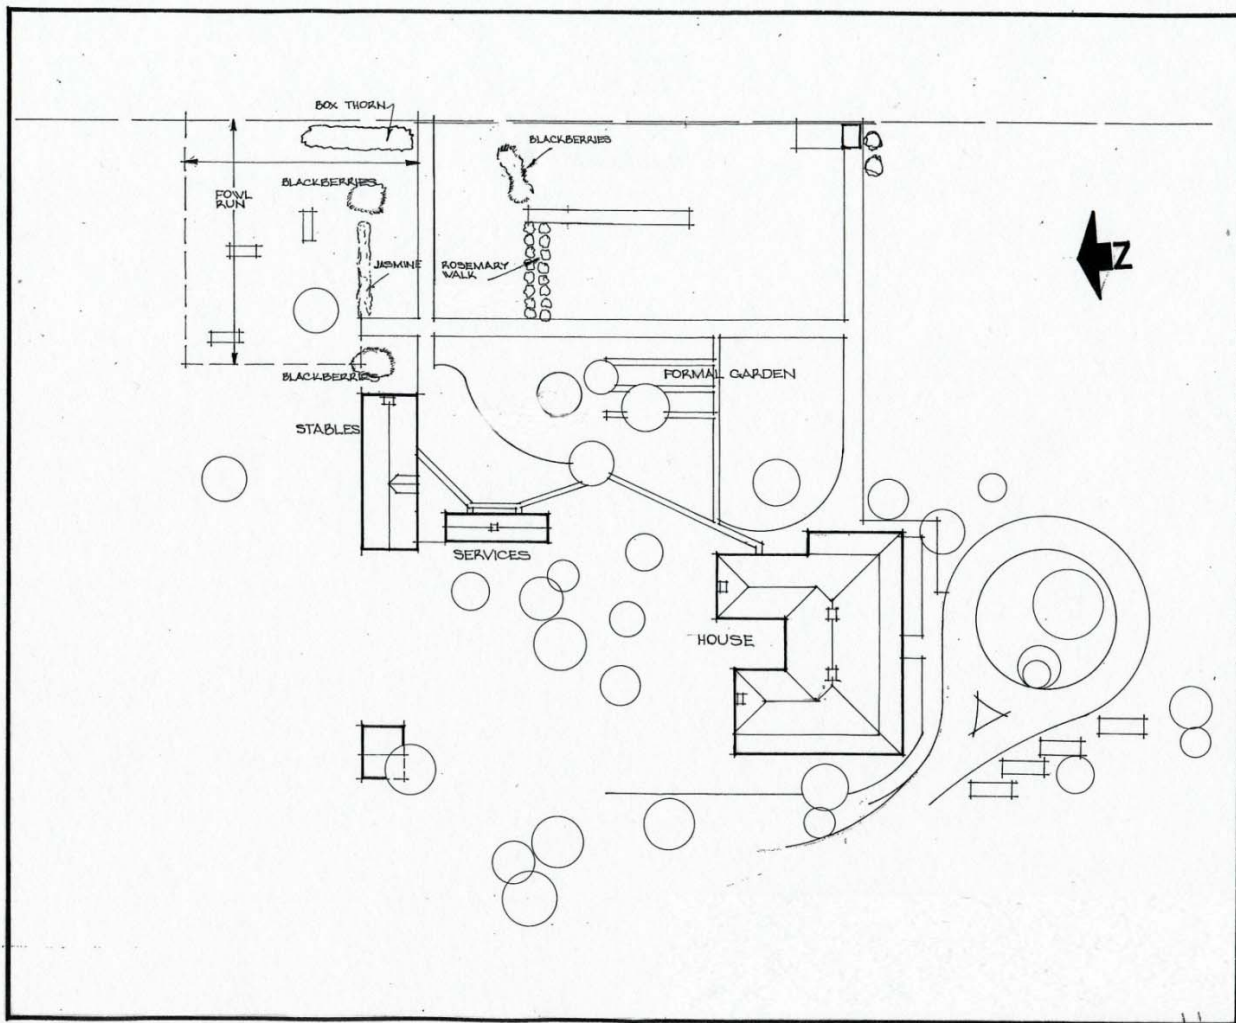

Hire of Riversdale rooms for private functions is permitted, however guest numbers are limited.

Facilities available: the kitchen (with crockery & cutlery), garden chairs and trestle tables. Toilet amenities are also available on site. Riversdale is fully heated throughout the cooler months. Use of the great outdoors is encouraged in the warmer months. Property booking fees apply and are dependent upon facilities requested.
